Calendar of Events

Once you have registered with the Campground office please come over to the Safari Field. The Campground is not assigning sites so you are free to pick your own anywhere in the Safari Field.

Please note there is extremely limited cell phone service and Gerald & Ann Janauer, the owners of the Campground tell me that if you have Verizon cell service, in and around the Campground office is the best place to get service.

Since we are celebrating 10 years of Jamborees, we are doing something along a Hawaiian theme birthday party. If you have some Hawaiian theme clothing etc, please bring and wear it on Friday night for dinner and all the events.

12:30 PM – Atwood Jack seminar

Servicing and re - finishing a set of Atwood Jacks

Your Atwood Jacks take quite a beating as you head down the highway and the factory powder coating will get nasty looking after awhile. Now I do not have a powder coating machine but can do the next best thing, We will sand down all the rust and imperfections on 4 Atwood jacks, then prime all 4 jacks, then give them a couple of finish coats of white paint. In about a week you can give them a coat of wax and the Atwood jacks will look almost a great as the factory finish.

Note: You can do this re-finishing on all makes of Jacks as well.

5:00pm – Hamburg Dinner in the pavilion

All you need to bring is an adult beverage and we will supply the rest. Ol Mikeee is breaking out a couple of grills and will be cooking hamburgers with all the trimmings. There is no charge for this event.

6:00 pm – Ice Cream Tasting

We ask that you bring a quart of your favorite ice to share with others. I will need a few “scoopers” to help with serving your Ice Cream. We will supply small cups and spoons

6:30 pm-ish –10 year commemorative T-shirts distributed

I would like to thank my Webmaster – Steve Couto for designing the logo that got put on these T-shirts. In case anyone is wondering, we picked Carolina Blue as the T-shirt color as that look the best with our Logo.

Movie “10 years of Jamborees”

Our Webmaster has put together a collage of pictures that were taken over the 10 years we have done Jamborees. It is awesome!!!!
