

Good evening everyone!

Let me first start off this update by thanking Geraldine and Dave for the wonderful job they did for our May 2017 Jamboree at the Timberland Acres RV Park. We had 35 rigs show up for the weekend, and all seminars were well attended.

Annie Marcy did a great job filling in for Cathie when we had Bingo on Saturday afternoon.

Also if you go on the [NETCJ website](#) and scroll down to the Timberland Acre RV Park, you will see a link that says [pictures](#) and you might even see a picture of yourself if you attended this Jamboree.

How can I not forget to mention [Rita Eshman](#) and her demonstration of the manual log splitter while sitting around the fire? Rita you swing a mean hammer.....

Lastly I would like to announce that Mike McMurray out of New York is one of our semi-finalists to win the 30 amp surge protector.

Now it's time to tell you about our next Jamboree and some of you may have heard me say that the Campground Cathie & I have booked for our July Jamboree has a special meaning to us. I am talking about Horseshoe Acres Family Camping in Andover Vermont. This Campground is where it all began 10 years ago. Our very first Jamboree was held here and although I have no records of who attended, I do have some nice [pictures](#) of what went on that weekend.

**Discounts:**

We will receive a group rate of \$29.00 per night plus tax as long as we reserve 20 sites.

This is for a water and electric site; no sewerage sites are available in the safari field.

There are other discounts that we may get depending on the final amount of RVs that show up for this Jamboree.

I have reserved the lower and upper safari field area and at the end of business day **June 7, 2017** the Campground will release all sites not reserved for the North-East Truck Camping Jamboree.

North-East Truck Camping Jamboree members can continue to reserve sites right up to the arrival date, as long as the Campground has sites available, but may not be as close as possible to the main group.

**Check in/out Policy**

Campground policy is for RVs to check in at 2:00pm. If you arrive earlier and your site is available, once you have registered with the Campground, you may now proceed to your site.

Check out time is 11:00am

**Cancellation Policy:**

- A: The Campground will charge a 1 day deposit when our members make a reservation with the campground reservationist. Balance due upon arrival.
- B: Any North-East Truck Camping Jamboree member who need to cancel their reservation and does so by the end of the business day of July 6, 2017, will get their full deposit back with no penalty.
- C: Starting on July 7, 2017, any cancellation done by a North-East Truck Camping Jamboree member will lose his 1 day deposit.
- D: The Campground – solely at its discretion, may waive the 1 day deposit penalty for cancellations made inside the 14 days, depending on the individual's circumstances.

**Firewood:**

The North-East Truck Camping Jamboree members are not to bring any firewood into the Campground. We have secured ample wood from the Campground.

**Activities planned**

On Friday night after our hamburger dinner, we will hold an **Ice cream social with a twist**. I would like everyone to bring a quart of their favorite ice cream for this event. I will have a freezer in the North-East Truck Camping Jamboree – chuck wagon and upon arrival you can put it in the freezer to get it wicked really hard. This way we all get to try some different flavors.

### T-Shirts:

Our Webmaster has designed a really nice 10<sup>th</sup> anniversary logo that we will have silk screened on a short sleeve T-shirt

This T-shirt will not be for sale and the only way to get one is to attend this Jamboree.

Oh did I mention this T-shirt is free, yup that's right a free T-shirt. This is Cathie and my way of saying thank you for all of your generous support to our group.

**Note:** To make it easier for me, would you kindly send me your T-shirt size once you have made a reservation with the Campground. You can do so by [emailing](mailto:tassiebb@comcast.net) me at [tassiebb@comcast.net](mailto:tassiebb@comcast.net). If you have already made a reservation, just [Email](#) me your sizes.

**I will have to make a hard cut-off date of July 10, 2017 for you to get your sizes to me.**

After that date, should you attend this Jamboree, I will still make a free T-Shirt for you, but I will ask for some shipping money, and you will get them in the mail after the Jamboree

### RV Buddies

Don't forget about our new service on our [website](#). If you are traveling someplace and are looking for someone to travel with you please fill out the form and send it in.

I am also making a slight change to our [RV Buddies](#) service. When you send in your form with the information in it, I will send out a notice to the entire group of your traveling plans on the 1<sup>st</sup> or 15<sup>th</sup> of the month depending on when I receive your information

Well that wraps it up for now, so drive safely and we will see you in late July.
