

I have had a few requests about what or where the North-East Truck Camping Jamboree might be doing in August 2018. Well the simple fact is that Ol Mikeee is having cataract surgery in both eyes and I was afraid to commit to anything in August of this year till I have my surgery dates.

They are now locked in and I can proceed accordingly.

This is where you members rock and step up to the plate to help Ol Mikee. As mention in the opening Email, our newest WagonMaster's Jeannie & Charles may have hit a home run here in organizing this brand new gathering at a **Blue Grass Festival!!!**

You will be traveling to Litchfield ME to enjoy the music of the "Blistered Fingers Family Blue Grass Festivals & Bands".

This is the link to their home page. www.blisteredfingers.com

Dates of the Festival:

Wednesday August 22, 2018 thru Sunday August 26, 2018
With early arrival available starting Sunday August 19, 2018

Location of the Festival:

Blistered Fingers Family Bluegrass Festival
30 Plains Road
Litchfield Maine 04350

Location of the area where we are camping:

Blistered Fingers Family Bluegrass Festival
44 Plains Road
Litchfield Maine 04350

Camping: Yup you can camp there!!! Rates vary based of hookups and days
Campground gates open on Sunday August 19, 2018 at 8:00am

Fees: There are many ways to do this festival so I think the easiest way is for you to just open up this [LINK](#).

You may even order your tickets early and save a few dollars.

Performers:

The Gibson Brothers (NY), Ralph Stanley II & The Clinch Mountain Boys (VA), Nothin' Fancy (VA), Blue Mafia (IN), The Bluegrass Brothers (VA), Bluegrass Diamonds (NB), Remington Ryde (PA), Zink & Company (MA), The Douthwrights (NB), Feinberg Brothers (NY), Blistered Fingers (ME)

This is not going to be a full blown Jamboree but once again a Gathering and you will enjoy the various bands and your friends.

Charles & Jeannie are going to arrive on Sunday, August 19, 2018 and stay for the entire week. If enough people book in advance, the festival hosts will rope off an area for us. However, they cannot guarantee everyone may be together because it will depend of how many of you want to go to this festival and whether you are going to get hook-ups. Since the price is so reasonable, Jeannie & Charlie plan to get hook-ups (w/e).

I will ask anyone that wants to go to this Festival to contact the Coushaine's at the following Email to give them an idea of the amount of rigs that are attending.

The Coushaine's Email: jcoushaine@gmail.com

If you need to call them please use their cell of (781) 771-1222

Now because of Doctors appointments for pre and post surgery, Mike & Cathie will not be arriving till Friday evening August 24, 2018. I will not be bringing the North-East Truck Camping Jamboree – Chuck Wagon but am going to enjoy our friends and music.

If you have any E-Z UP or portable canopies, please bring them with you.

So I think a great round of applause is in order for Jeannie & Charles Coushaine.
