Wagon Masters: [Beth & Charles Lee](#)

Discount: We have negotiated a 15% discount for a Water/Electric/Sewer site.

- Please note that there are a limited amount W/E/S sites available
- To get this discount you must say you are with the North-East Truck Camping Jamboree

Campground Location: This campground is just off the historic grounds where the battle of [Gettysburg](#), fought from July 1 to July 3, 1863, it is considered the most important engagement of the American Civil War.

Campground Sites: Since we average 75 rigs at the Jamboree, it is difficult to identify all the areas the campground has blocked off for us. But if you look at the [campground map](#) we are generally put in Stuart Circle and in Hood Circle as well as along the main road that is known as Picket Pass.

Campground Reservations: To be with the group you must make a reservation by the end of the business day, September 10, 2018. After that date all remaining sites will be released to the campground. You can still make a reservation after September 10, 2018 but there is no guarantee you will be able to secure a site with the group.

Campground Site Availability: Should a member arrive early on the day they are scheduled to arrive, there will be no extra charge for them to go to their site **IF** it is available.

Deposit: When you call the Campground for a reservation, you will be asked for a 1 day deposit. When you arrive at the Campground, you will get your 15% discount on all nights that you have made a reservation for.

Campground Cancellation Policy:

- Cancellations two days or less will be charged one day.
- Prior to Two days will be a full refund.

Pets: Pets are welcome but must have Rabies certificate.
