

**Holiday Trav-L-Park
1075 General Booth Blvd
Virginia Beach, VA 23451
October 13 to the 17, 2021**

As you can imagine, we have had to scale back some of our plans and events due to various issues beyond our control.

Covid-19 precautions to practice include masks, small groups and remaining outside of the Activities Bldg.

The Campground has a huge Halloween celebration on all 4 weekends in October, we will not have the use of any pavilion for our events. So all events will be held at Mike & Cathie site #85.

On a personal note, I want to thank each and everyone one of you who dropped Ol Mikeee an Email regarding my accident. I am still not fully recovered and it is what it is.

I am really looking forward to the 2022 Jamboree season. The North-East Truck Camping Jamboree – cargo trailer looks lonely in my driveway and I hope to put it to good use next year.
